

Internal Memo

Date: 24th May 2022

TO: Greater Cambridge Shared Planning – Planning Comments

FROM: Climate Environment and Waste – EHP (Environment Planning)

SUBJECT: **Consultation Response**

Thank you for your recent consultation for the above planning application. Having initially reviewed the application and considering the potential implications of the proposal, I make no comments on behalf of Environmental Health at this time.

If you are aware of any concerns that are being raised as part of the consultation process, I would be obliged if you could advise me and we can consider these for you in a formal response.

The above comments/observations are made in relation to general Environmental Health issues. However, further specialist advice and comments can be obtained for contaminated land and air quality pertinent to this site.

Please contact *Claire Sproats - Scientific Officer, SCDC Climate, Environment & Waste – Contaminated Land Telephone No: 01954 713444* (email: contamland@scambs.gov.uk) in relation to Contaminated Land issues
or *Soraya Hashemi - Scientific Officer on behalf of SCDC Climate, Environment & Waste - Air Quality Telephone No: 01954 710732* (email: Air.Quality@scambs.gov.uk) in relation to Air Quality issues.

Many thanks

Nick Atkins
Environmental Health Practitioner (Environment Planning)
